92 POINTS – Gary Walsh

A Valpolicella that undergoes a second fermentation in contact with Amarone skins for two weeks, but is not officially labelled a Ripasso. Corvina 40%, Corvinone 30%, Rondinella 25%, Oseleta 5%.

Importer: Enoteca Sileno.

Sweetness of dried and fresh cherries is the overarching theme, along with some dried roses, earth and dusty spices. Medium bodied, fresh and juicy fruited, some sweetness and succulence, but pulled back by grippy grape skin tannin and clean acidity. Almond and dried cherry on the finish, with XMAS spices in the mix. Pretty seductive wine. Hard to stop drinking.
